## In a year that was . . .

This year of 1958 at Fair Park has been one that will provide those vital elements of training and good citizenship that help to build the Americans of tomorrow. Here at Fair Park is the searching and seeking, testing and trying, creating and destroying, accepting and rejecting that help to form each individual's goal, and to provide the direction he will take to achieve it. It was a year of inspiration, a year of good times, one year in the process of becoming responsible adults, but most of all it was a year at Fair Park.

... new to some, old to many

New, exciting, confusing—this was Fair Park to some of us. To the new student the school was a maze of hallways, stairs, and classrooms, but to others it was only as new as an old friend in a new dress. The building was remodeled from top to bottom. New equipment, new lockers, and new colors made things more convenient and cheerful. Old acquaintances and old traditions gave us the feeling that we were for another year a part of Fair Park and its myriad activities.

Photo by: [unclear]

# ... busy yet quiet

The clang of the tardy bell and the scurrying sounds of last minute students rushing to class presented quite a contrast to the dead silence that came fifteen minutes later with every head bent studiously over piles of work, bobbing in rhythm to busily weaving pencils. The quietness that prevailed in the building during class hours gave no hint of the undercurrents of furious activity that make up the lives of Fair Parkers. Studying was hastily done, exams were carefully prepared, and organizations worked at a rapid pace to complete projects. All was done quickly, carefully, thoroughly and busily -yet quietly.

## ... informing and entertaining

Our classrooms, where anything can happen, were dens of lectures and laughter, music and midterm exams. Here personalities were perfected, scholars born, and character built through a combination of information and entertainment. Each student had an opportunity to do the things he liked most and did best. There was music and fun, literature and drama, mathematics and challenge, science and wonder, art and creativity, shop work and accomplishment — through it all knowledge and joy.

Some of the richest gains a student can achieve have come from the participation in and encouragement of school athletics. They have been the motivating factor in opening the doors of school spirit and student loyalty not only for the participants, but also for the spectators. The team spirit that evolves is more than enthusiasm for the game. It is the spirit of common understanding and trust that we experience, and the sense of loyalty and togetherness that enriches our lives and the memories of our days at Fair Park

... filled with a will to win

## ... full of lasting friendships

The buildings rang with laughter, the laughter of a boy and girl sharing a private, just-for-us joke, the laughter of a group in the cafeteria, laughter between classes—always the laughter that told of friendship. There were quiet times, too, times when friends discussed the present, reviewed the past, and made plans for the future. But whether the moment was one of quietness or gaiety, there was always an abundance of friends.

# Dedication—

---

THIS 1958 Sequoyah is humbly dedicated to the lasting memory of Miss Hixie Davidson, whose death on the last day of December, 1957, grieved and shocked all of us who knew and loved her. Miss Davidson, a native of Summerfield, taught in Dubach, Marks ville, Jackson Parish, and Mooringsport before coming to Fair Park as a teacher and later, guidance counselor. She wholeheartedly dedicated twenty-five years of her life to teaching and inspiring those thousands of students who have passed through the portals of Fair Park. Miss Davidson's warm and friendly personality enveloped all who came in contact with her, and an enthusiastic will to help, coupled with a cheerful smile and an encouraging word of sympathy always greeted those who came to seek her aid. Her understanding manner, her wholesome spirit, and her inherent sense of humor made her beloved and respected by us all. She proved to us by her own excellent standards that living is giving and projecting oneself into his work. Her inspired devotion gave her a sure and steady hand in guiding the student body's growth with positive and intelligent direction. Her untiring patience and constant effort never wavered. We loved her and love her still in our hearts, and the ringing echoes of her presence still linger in our minds.

MISS HIXIE DAVIDSON

# A MESSAGE FROM Our Principal

Dear Students

This has been a year filled with many changes at Fair Park. You have witnessed the completion of the new gymnasium, the addition of new quarters for the music department, and the complete remodeling and modernization of the school building itself. The enrollment of the school has increased considerably and to keep pace with this growth new courses have been added and additional teachers have been employed. The addition of a second assistant principal, two counselors, and an enlarged office staff, have enhanced the efficiency and potentialities of the school.

You, the students, have shown your appreciation and gratitude for this growth and progress in your school by continuing to bring honor and recognition to Fair Park through your performances and achievements in all lines of endeavor. I am both proud and humble to have been made principal of so fine an educational institution as Fair Park High School and I shall endeavor to keep it an Alma Mater you may always look to with the highest regard and admiration.

May God's richest blessings be with you now and always.

E. H. HERRON

# Assistant Principal

J. E. TURNER

Quietly, efficiently, the office staff makes possible the smooth operation of Fair Park. Theirs is the job of handling finances, enrolling students, checking credits, and keeping attendance records. More than two thousand students and teachers look to this group for information, direction, and counseling.

The 1958 football season for the Indians was a highly successful one, with eight wins and one draw game. The Fair Park Tribe astounded the state's sports writers by defeating top competition as the season got under way, after having given up three straight losses in the early part of the year. The season was climaxed by the blistering defeat of the Byrd Yellowjackets in the annual Thanksgiving Day classic.

The Tribe started off slowly, but gained steam as the year progressed in a "rags to riches" warpath rampage that took them all the way up to the North Louisiana-State Championship playoffs against Istrouma. The Redskins returned home defeated, but they put up a good fight all the way.

Under the able direction of Head Coach Prendergast, the Indians suffered no severe losses, except Istrouma, and managed to hold up well their traditional 1AAA rating.

### Fair Park 0 — Bolton 20

SHREVEPORT, LA., SEPT. 13 . . . The Fair Park football debut was spoiled by penalties, fumbles, and quick offensive action of the Bolton Bears in a bruising game of 20-0. The hard-fought victory for the Bears was not so easy due to the energetic tactics of Redskin tackle John Scotto and linebacker Carl Gatti. The lanky Bolton squad had to fight for every yard they gained and every score they made. The determined Fair Parkers formed a solid wall that tired after the third quarter, and the Bears quickly took advantage, rushing three snappy TD's. The Alexandria eleven sprinted only 54 yards in 12 plays hampered by Warrior linesmen Trigg, Bell and Hanson sparkled briefly in a powerful attempt at out-maneuvering the Bears, but had to retreat before a fresh onslaught that came late in the second quarter.

### Fair Park 0 — Minden 20

MINDEN, LA., SEPT. 20 A fired-up crew of the Minden Crimson Tide scrapped their way through a tiring four quarters of play to defeat the battle-weary Redskins in a rip-roaring thriller that kept Tribe fans on their feet all the way. Holding penalties and bad timing for both teams constituted a scoreless first quarter, but the squads kept up the blistering power drive until

the Fair Park crew erred and the Tide took quick advantage. Hylton Hanson's fancy kicking saved the day for the Tribe, and the twinkling toes made the longest run of the game when he scooped up a fumble and pranced 45 yards only to take a hard tumble on the Tide 35. Hanson toed the pigskin four times at an average of 43.5 yards and provided the Indians their biggest spark. Defensive Tribe standouts were Scotto and Bob McGlothlin, who suffered a minor injury during play.

### Fair Park 12 — El Dorado 33

EL DORADO, SEPT. 27 . . . A relentless El Dorado Wildcat offensive attack combined with 8 Fair Park fumbles sent the Tribe tumbling to their third defeat of the season in an exciting 33-12 victory for the 'Cats. The Redskins of Fair Park drew their first blood when Bell recovered a Wildcat bobble, and, after several plays, Lauter slanted off tackle for the payoff. After half-time the Wildcats plunked into a furious ground attack that kept the Tribe hopping. But the snappy Warriors took to the air and danced 55 yards down the field on the arm of little Richard Bell before they encountered a Wildcat wall. David Waldron took a 15-yard flip from Bell to complete their second and last TD of the game. The Tribe, playing without the services of Hylton Hanson, had some fine work on defense by McGlothlin and Scotto, but it just wasn't enough.

## Fair Park 13 — Marshall 7

SHREVEPORT, LA., OCT. 4 . . . The underdog Tribe, losers of three straight, rolled to a 13-7 victory over the Mavericks of Marshall in State Fair Stadium. Little Richard Bell, who in just 48 minutes made Indian fans forget twisting, turning Gary Lauter, paced a Fair Park attack that blazed a clear warpath for Hylton Hanson who scored both TD's and one extra point for the Warriors. Lauter and fullback McGlothlin carried the brunt of the Indian load on the ground to make gridiron history. Linebacker Gatti was the defensive standout in stopping the Maverick plays before they were even well under way. All-State candidate Scotto also turned in his usual great job at tackle. But it was Bell, the 160-pound package of TNT, who became a star. He completed three passes of eight for 38 yards, sparked many first downs, and handled the oval like a true veteran. Victorious Fair Parkers were eyed from the stands by visiting coaches from out of state

## Fair Park 6 — Bastrop 0

BASTROP, LA., OCT. 11 . . . Paced by the running of fleet-footed Hylton Hanson and the excellent quarterbacking of Richard Bell, the Tribe held off the first half drives of the host Rams, then rallied back for a mighty blow after the intermission. Little Johnny Trigg was the man who crossed the paydirt stripe, taking a handoff from Bell and slanting through the puny Ram defenses for a six-yard run. After a brief fistfight from Scotto and a Ram, two fumbles and 7 yards in penalties plagued the Tribe during most of the rest of their action. Hylton, back on the Warrior eight, tried to punt on a fourth down, bobbled the pass from center, and was forced to run with it. The fleet-footed half-back weaved up the field behind the precision blocking of Scotto and Gatti and puffed into the end zone for a blazing 92-yard romp. But the red flags went down and a penalty put the ball way back on the Indian 42 just as the final whistle marked the narrow victory

## Fair Park 20 — Ouachita 18

MONROE, LA., OCT. 18 . . . Quarterback star Richard Bell sparked another victory for the fighting Indians of Fair Park in a tight game against the Lions of Ouachita that depended entirely on the ingenuity of the little field marshal. With the strong support and management of linebacker Carl Gatti, and the punting toe of Hyton Hanson, Bell thought through four rousing quarters of play in the TD-studded scrap. Scotto, Collins, and McGlothlin filled in the gaps in the mighty Warrior line and gave in to very few Lion charges. After the third quarter, the Redskins danced to a fast-moving TD in just five plays and surged ahead of the invaders. The Lions got serious then and decided it was time to do something, so they attempted a handoff sneak around the right, which was quickly nipped in the bud by Gatti, Scotto and McGlothlin.

## Fair Park 7 — Bossier 7

SHREVEPORT, LA., OCT. 25 . . . It took some doing, but the favored Bossier Bearcats came up from behind to eke out a 7-7 grid deadlock with the rumpus-raising Redskins of Fair Park. It was a hard-fought cross-river feud that threatened to be a touchdown parade, but trickled to a mere block-and-tackle playday in the end. The Tribe scored first in the second quarter after having a drive stopped in the end zone. The Warriors had surged mightily to the Bearcat six when fullback Robert McGlothlin fumbled and Bossier recovered. The Bearcat halfback then tried a punt from the 20, but it went bad and Tribe halfback Johnny Trigg scooped it up on the Bossier 25 and ran it all the way back for a magnificent touchdown. Winged-heeled Trigg made good again when he grabbed a kickoff on the Bossier 32 and romped 25 yards to score untouched.

### Fair Park 13 — Ft. Smith 18

FT. SMITH, NOV. 1 . . . Playing before some 800 fans in threatening weather, the Fort Smith Grizzlies moved forward steadily behind a surprising passing attack and smart quarterbacking to defeat the confused Indians in a blazing 18-13 upset. The Tribe, sustaining its fourth loss of the season, scored in the third quarter in less than 4 minutes when halfback Lauter romped 5 yards for the first TD. Having trouble driving the Warrior ground attack, quarterback Richard Bell started a pass-tossing session that was met more than halfway by the Grizzlies in form of a furious aerial barrage. But the Redskins rallied back in the fourth quarter for their only other score. Burton intercepted a Bruin pass on the Injun 15 and dashed up the sidelines in a spectacular 85-yard TD drive.

### Fair Park 7 — West Monroe 6

SHREVEPORT, LA., NOV. 8 . . . The Fair Park Tribe turned in another of their spine-tingling thrillers in a narrow margin of 7-6 over the Rebels of West Monroe in a roaring victory that soared Indian rating way on top of the 1AAA bracket. Little John Trigg started off killing the Rebels' hopes by a quick down-the-field chase that ended in a tangle on the Tribe 10 and halted what might have been a 45-yard run by a Rebel romper. A punting duel that developed between Hanson and the Rebel invaders kept Tribe fans on their feet as the talented toe set the Rebs back 32 yards late in the second quarter. In the third, quarterback Richard Bell tallied for the Redskins on a one-yard sneak handoff at center from Lauter. Unmatchable Hanson booted the extra point.

Trigg outprints Byrd linemen in Turkey Day romp

### Fair Park 19 — North Caddo 7

SHREVEPORT, LA., NOV. 21 . . . The Fair Park Tribe fought a hard battle of out-thinking, out-maneuvering, and out-cropping against the Rebels of North Caddo and trudged off the muddy field with the deserved victory of 19-7. The Rebels looked puny beside the mighty Warriors who played rings around them in a surprisingly easy win. Hanson, Lauter, Trigg, Bell and McGlothlin showed most in the Tribe limelight, while the Rebels made so many fumbles it was hard to tell who was doing what. Hanson galloped 82 yards in six carries, Lauter 72 in ten tries, Trigg sprinted 48 in three, and McGlothlin bucked 41 in eight. Hanson's glittering 13.6 yard average cancelled all hopes for the Rebels early in the second quarter. After the half the Redskins seemed to gain power and made a mighty surge which wound up in another touchdown. Gatti fumbled once but scored on the next try.

### Fair Park 13 — Byrd 7

SHREVEPORT, LA., NOV. 28 . . . The warpath-rampaging tomahawk-wielders took revenge on the Byrd Yellowjackets on Turkey Day in a roaring victory that brought the stands down. From a locker-room vow to a great victory, the Indians swept clean the 'Jackets in a game dedicated to Coach Prendergast who was in the hospital at the time. Quarterback Richard Bell, the great little engineer who will surely rank in football history, was the hero of the game. He completed six passes out of six and set up 2 TD's and scored himself in a neat one-yard sneak. Ends Maloney and Betts teamed with linebackers Burton, Gatti, and Labenne and linesmen Scotto, Emmons, McGlothlin, and Willis formed a solid defensive wall that was just too mighty for the 'Jackets to penetrate. McGlothlin took upon his capable shoulders the rushing honors, accounting for many tackles. Back John Trigg motored for 10 yards on a sneak play that set up the

Injuns' last TD. Hanson's booming 66-yard punt in the third quarter set the 'Jackets back a mile they never regained. The whole Greenwood-road squad played expert heads-up ball, and finished off by lifting Coach Wilson to their shoulders—quite a feat in itself.

### Fair Park 0 — Istrouma 42

SHREVEPORT, LA., DEC. 13 . . . Friday the thirteenth loomed as doomsday for the Redskins of Fair Park when they met their Waterloo in the hands of the Istrouma Injuns. The two tribes clashed in a resounding battle that left the Fair Parkers a scar in their State Championship hopes that won't be healed until the traditional match next year. The Greenwood Road squad entered into the fray with the able backing of Bell, Hanson, Scotto, Gatti, and McGlothlin, but the big Istrouma eleven proved to be just a little bit better. Little John Trigg started an Indian back-field movement that took the Fair Park squad within four yards of the goal, but the Baton Rougers proved imp'acable in guarding the payoff stripes.

direction of Coach Henderson, the tomahawk-wielding floormen of Fair Park rushed headfirst into a goal-getting rally that was turned into a sparkling 1AAA rating fight. Ouachita, Bolton, Byrd and St. John's fell easiest under Warrior pressing at the first of the season, but doubled back to slow down the marauding Redskins in return meets. Bossier, North Caddo, Baton Rouge, and Istrouma proved easy going for the remainder of the Indian season.

The unfaltering cooperation of the members of the basketball team and their sincere willingness to play promoted their morale greatly, and thus helped to make possible the excellent record of the season and the high number of wins. Forward Linus Lopez came early into prominence as a dominating factor in the season's success. This is his first year on the basketball varsity.

Another basketeer with plenty of hoop know-how is graduating senior Ronnie Ruth. Ronnie has played for two years on the first string.

Still another expert floorman, Gary Lauter has also played his last great season this year for the Redskins.

Returning lettermen Bob Chaney, Terry Hodges, O'Brian Smith, and Paul Labenne, all fine ball-handlers, will be on hand next year to lead off another Indian season.

The Warriors got off to a slow but sure start, and as they became more warmed-up as the season progressed, the win average got bigger and better. The expert coaching job of Clem Henderson spurred the boys on, constantly keeping them fit for performance after performance of playing skill. An athletic team reflects its school, and the Fair Park squad never represented their Alma Mater in a better season.

# Baseball

For the first time in many seasons, the crack diamond-walkers of Fair Park trudged off with the Louisiana State championship title in a nerve-tingling success that made the Redskin team respected throughout the state. With little Richard Bell behind the plate and an unbeatable pitching combination on the mound, the Warriors racked up a near-perfect record with only three losses for the entire season. Sibley felt heaviest the surging onslaught of the Greenwood Road squad, backed by such three and four-year pros as Nelson, Hanson, Davis, Ruth, and Collins. Then followed in short order and comparative ease North Caddo, LaGrange, Benton, and Ruston.

Infielder lettermen Nelson, Ruth and Book-  
er were the mainstays for the Indian season,  
while Orton, Collins, Hanson, Davis, and  
Foster handled expertly the bases and the  
outfield. Richard Bell guarded the Warrior  
plate with a savage ferocity, and no opponent  
scored more than seven points during the  
entire season of play, and the Fair Park losses  
had a razor-thin edge.

Graduating seniors Adkins, Orton, Gouthiere,  
Collins, and Winn proved invaluable in  
obtaining the season's exceptionally excellent  
record.

Indian batting power found its root in  
Foster, Collins, Nelson, Orton, Bell, and Davis,  
and pitching purity flowered in Gouthiere,  
Ruth, and Barrett.

Davis, Betts, Bounds, Bell, Trigg, Lee, Han-  
son, Ladotto, and Ruth return for the 1958  
season.

Pitcher Lee takes a warm-up toss.

Dowden displays winning form

## Tennis

Jim Dowden and Ardyth Ellis led the netters of Fair Park with a 5-4 winning record to almost cop 1957 North Louisiana championship honors. The team traveled to Ruston for the District finals, but were barely defeated after a hopeful season. Ardyth, the girl with plenty of racket know-how, swung her way to a letter and almost state singles title. The team won twice over Marshall, lost once and won once to Bossier, lost twice again to Byrd and Neville, then rallied to defeat El Dorado once. The netters, guided efficiently by Coach Merrill Nicklas, got off to a slow start at the first of the season, but finished up with a bang in a furious drive for state honors that ended in a hard-fought defeat for the Fair Parkers.

Dowden is presently attending Louisiana Tech where he is a top-rated tennis hopeful.

MILER ALL-STAR WAYNE OLDS

The 1957 Fair Park track team is composed of twenty-one members, all outstanding in relays, dashes, pole vault competitions, discus throwing events, high jumps and hurdles, and the shot put. The Redskin road runners, aided by Head Coach Carl Kight, are continually rated among the top five high schools in Louisiana 1AAA. They excel in all events, and every afternoon do practice work on the road and in the field. Miler star Wayne Olds has remained among the leading runners in the district for two straight years, one of the few in Fair Park track history ever to have done so.

No one would ever guess, from the straight shoulders of these four pretty girls, the responsibility that has rested upon them. Every performance, every practice, in short, every activity of the Honor Legion has been theirs to plan and to carry through. With the help of Mrs. Betty Martin through the summer and the first semester, and Mrs. Norman Lindsay in the second semester, these four have managed the top-notch group of which Fair Park is so proud—the Honor Legion.

The thirteen girls in this group are always seen carrying flags and marching, adding color to every performance, but very few people see the behind-the-scenes work done by them. The six commissioned officers not only carry the "big flags," but also carry the social responsibilities of the Legion, assisted by the eight "little flag" girls.

Excitement was in the air as trumpets heralded the approach of our royal court from outer space. The Ladies of the court gowned in pastel taffeta and net escorted by their Lords were first to make their appearance. Then amid hushed whispers, King Raymond Wissing and Queen Cecile Ford made their entrance. Our queen was radiant in her flowing gown of tiered white net.

The stage settings and decorations based on outer space were made by the woodwork and art departments. The beauty and success of the occasion was due chiefly to the supervision of Mrs. Norman Lindsey.

In conjunction with the Mardi Gras celebration this year, the Honor Legion Carnival was held. The evening's festivities were climaxed by a gala ball in the Fair Park gymnasium.

## Pelican Boys' State

These eleven Boys' Staters are chosen carefully by the faculty during their junior year. Wanting to send a top-notch group, capable of bringing back as many honors as possible, the teachers consider the boys very carefully and finally decide on the chosen few rating highest in qualities of scholarship, leadership, and personality.

Our Pelican Boys' State delegates are guests of the American Legion for their trip to Baton Rouge. There they join other delegates from high schools throughout Louisiana, and these boys form and operate the mythical forty-ninth state, Pelican State. Through this, the boys learn invaluable lessons in citizenship and the fundamentals of local, parish and state governments.

## Pelican Girls' State

Pelican Girls' Staters are chosen by the faculty on the same basis used for choosing the Boys' State delegates. Those chosen are sent to Baton Rouge for a week during the summer before their Senior year, where they, like the boys, become a part of a teen-age forty-ninth state. While in Baton Rouge, these girls receive not only theoretical but actual training in citizenship and the workings of government. Through political campaigns and elections of officials for their

"little state" the girls gain an inside knowledge of this phase of government, election by the people. By observing the Louisiana State Legislature in session they learn about another part of our form of government, government by representatives of the people.

Through this experience, these girls gain not only knowledge but confidence as well. They come home ready to take a greater part in civic affairs.

## Battle Group Staff

Training, ability, and personality make up the character of the six cadet officers who are the Battle Group Staff. This group of outstanding young leaders is selected by the instructors on the basis of their capabilities.

All R. O. T. C. cadets are watched by the instructors from the beginning of their career. During this period can be singled out outstanding cadets, and during their senior year they are promoted to these positions of responsibility.

Their job is to run the Battle Group according to military standards. Each and every man's job is essential to efficiency.

This organization has attained an honored position in Fair Park through its interest in student participation and its administration of school improvements.

The fundamental aim of the Student Council is to develop good citizenship and to practice it in a democratic society. The council promotes good relationships between the Fair Park student body and the faculty, improves school morale, and gives the students a knowledge of the workings and advantages of democracy.

The Student Council is made up of six officers, thirty-two senators, and a representative and alternate from each home room. Mrs. Sybil Murphy and Mr. Martin Nutt spon-

## The 1958 SEQUOYAH

The work of composing the 1958 Sequoyah has been, for the past year, the time-consuming job of the Editorial Staff, sponsored by Miss Sammie Banks. Editor-in-Chief Barbara Whitehead, her five editors and staff of clerks, have worked diligently all year to capture the memories of Fair Park in 1958 between the covers of this book. They have recreated with pictures and words all that has made this year special, a time to be remembered.

Besides the training received here at Fair Park, the staff members have made two trips for additional information. Miss Banks, Linda Stephens and Barbara Whitehead went to the National Scholastic Press Association convention in Chicago. Members of the staff also went to the L. S. P. A. convention in Baton Rouge

## Business Staff

The Sequoyah Business Staff, under the direction of Mrs. Daisy Isgett, works in teams of two girls each to sell the advertising space in the back of this book to Shreveport firms. Their work is very important as it helps to pay for the production of the Sequoyah. This group of "junior saleswomen" is managed by Benny Hayes, with the help of her assistant, Jean Jennings.

The twenty-six girls have been carefully chosen by previous members for their poise, good scholastic records, and willingness to work. With their tremendous pride in their work and their excellent team spirit, they do a fine job of financing the yearbook, yet still remain a congenial, fun-loving group. When work is done they usually wind up having a coke party.

Members of the Sequoyah Circulation Staff are selected from students who express a desire for membership in the group. They are chosen on the basis of good character and dependability. A junior member is selected as assistant manager each year to train for the manager's position during the senior year.

The staff for 1958, under the able direction of Mrs. Norma Jean Brown, Manager Sandra Ford, and Assistant Manager Sandra Keys, has spent much time and effort in promoting sales of the Sequoyah within the student body. It is the responsibility of this group to collect all payments on the yearbook, plan and handle advertising in the school and distribute the book in May.

Money, money everywhere! and Keys, Ford, and Morris try madly to balance the budget.

Each August the twenty girls of the Pow Wow Business Staff begin selling advertising to the Finance Fair Park's paper. Seniors Sue Owers and Frances Wolfe, managers of the staff, give instructions on the best ways and places to sell ads. After the ads are sold they

Last March the staff, accompanied by their sponsor, Miss Mary Anthony, and two members in their chartered cities, and went to Dallas to spend a Saturday.

Goodbye, Shreveport

Leave it to Carter to get an honorable mention

The annual convention for the Louisiana Scholastic Press Association at Baton Rouge ended on a happy note this year with Fair Park being voted '58-'59 convention president. Twenty delegates from the Pow Wow and Sequoyah staffs attended, accompanied by faculty sponsors, DeLane Smith and Sammie Banks.

The convention officially began October 22 with a general assembly, and that afternoon writing contests and guest speakers entertained delegates.

The next day officers were elected and contest winners announced. Judy Nettles of the Sequoyah took first place honors in yearbook copy writing. Of the Pow Wow, Betty Mottet won second place in news writing, and Mike Carter was awarded honorable mention in editorial writing.

Checking out, and the long trip home

Presidency going, going, gone to Fair Park at 12 votes!

Each spring approximately forty-five junior girls are chosen to serve on the Ad Staff during the coming year. They are nominated by the girls whose places they will take, and approved by the faculty.

Under the direction of Miss Laryne Martin, the staff members sell ads to finance the football programs, help make up these invaluable pamphlets, and sell them at the football games.

"We believe in service for others, our country, our community, and our school; in health of mind and body to fit us for greater service; and in working for better human relations throughout the world. We have joined the American Junior Red Cross to help achieve our aims by working together with members everywhere, in our own and other lands." This is the creed of the Fair Park Junior Red Cross, one its members profoundly believe in, and is usually repeated at every meeting.

The Junior Red Cross this year has undertaken the jobs of compiling the student directories, filling gift boxes, and helping in the children's ward of the Confederate Memorial. These service projects are carried out each year through the cooperation of faculty members and students of Fair Park, without whom the Junior Red Cross would not exist. This organization can largely attribute its great success to the whole-hearted support of its members.

## Fair Park's

Get ready for that roll

Fair Park's Concert Band is made up of the "cream of the crop" band students in the school. Through their band work the members become familiar with the greatest music. Under the baton of Mr. Walter C. Minnear, this talented group is presented in concerts several times each year.

The concert band has also spent much time and effort in becoming the fine musical marching unit which appears regularly at football games and in parades.

The band attended the Music Festival in Natchitoches last March, competing in various divisions against bands from all parts of the state. The high point of the year was the spring trip to Enid, Oklahoma, which is fast becoming an annual affair.

## Fair Park's

Hey, you're flat

Fair Park was the first school in Shreveport to have an orchestra. In 1949, when it was first organized, it consisted of some seventeen members under the direction of Mr. Carl Tolbert. It has now developed into an organization involving some one hundred students playing stringed instruments in its Symphonic, Intermediate, and Beginning groups. The orchestra has been under the direction of Arthur Benoy since 1952.

The Salon Orchestra, a thirteen piece ensemble selected from the Symphonic Orchestra, performs for civic clubs and other organizations.

Many of the responsibilities of a well concerted organization rest upon the shoulders of the Concert Mistress, Sandra Whittington, who has performed in this capacity with charm and competence.

Through the years, the Fair Park Orchestra has proved itself to be a cultural asset to the school and community. Yearly functions of the orchestra are concerts, tours, and parties.

## The Choir

The choir is composed of students interested in developing their musical talent through choral participation. Credit toward graduation is earned by members although many students enroll only for the pleasure it affords. Under the direction of Mr. M. L. Riche, members of the choir served as leaders in the musical activities of Youth Week held this year at Fair Park. "Go to School Night" and other programs during the year were enhanced by the ability of the choir members.

Fair Park was represented during Thanksgiving week in the All-State Chorus by Don Doyal, Richard Trant and Jimmy Watson.

You take the high notes

The Pastels, under the direction of Mr. M. L. Riche, accompanied by Linda Allen, have sung at various functions throughout the school and city and enjoy a certain amount of popularity.

They sing types of music ranging from classical and sacred to popular. Mr. Riche's exacting direction culminates in the flawless rendition of the Pastel's programs of music.

These girls are chosen from the "A" Girls' Glee Club and are composed this year of juniors and seniors. Some of their engagements have included singing at the Lion's Club, the Kiwanis Club, the Teachers' Convention, Youth Week, and several school productions.

## Distributive Education

Two heads are better than one

The Distributive Education Club is made up of students interested in receiving an education which will fit them for jobs in the business world. Through a "learn while you earn" training program, these young people are able to attend school in the mornings and to work in the afternoons. Under the careful supervision of their three sponsors, Mrs. Louise Monette, Miss Chloe Clark, and Mr. Hubert Humphreys, these students successfully fill positions in wholesale and retail firms serving as salespeople, office workers, stock clerks, and a variety of other classifications. Many of the students retain their positions after graduation on a full-time basis.

The highlight of the past year for the sixty Distributive Education students was the employer-employee banquet held in the spring.

Students attend classes in which they are instructed on all phases of their jobs. Emphasis is placed on close correlation of job and class work

As one of its projects, the F. H. A. sponsors a Girl of the Month, chosen by the popular vote of the members on the basis of her personality and contribution to the club. The girls climaxed the year with a mother-daughter banquet at which the outstanding senior homemaker was chosen.

This club is made up of students interested in art. Many of them study art with Mrs Grace Gray, club sponsor, but being an art student is not a requirement for membership.

Through the club, the members develop an eye for the beauty of their everyday surroundings, study paintings, and attend local art shows as a group. They have as guest speakers many local artists, and demonstrations are often given.

The Art Club performs many services for the school. They create the Mardi Gras decorations for both the coronation and the ball following it, and several times during the year they exhibit their work in the halls of Fair Park.

Not confining their talents to canvas alone, the club members create many lovely objects, often trying their hand at costume designing, pottery and handicrafts.

This is a truly remarkable group, having operated through the second semester without a sponsor. The Math Club has for years been sponsored by Miss Lucille Brown, who left Fair Park at mid-term due to illness. The club's president, Check Wing Joe, has done a heroic job of keeping this sponsorless club on its feet, with interest unflagging.

The purpose of the club is to give to the members a better knowledge and understanding of the fields and uses of mathematics. They often have guest speakers who are prominent in various fields of mathematics, engineering, and science.

These students are people to whom math is not drudgery, but a fascinating game. They have keen, quick minds, and they find the challenge of mathematics stimulating. Often in their meetings they work trick problems, just for fun. Any one needing help with his algebra, geometry or trigonometry can usually find another member to help him.

# Audio-Visual Club

This club makes possible the supplementary films used in most of the courses here. Everyone who has ever seen one of these films knows what an enjoyable addition they are to text-book instruction. Subjects are more interesting and more clearly understood when illustrated on film. Very few movies could be shown, however, if the teachers had to act as film librarians and projectionists along with their other duties. The work of the girls in the club, tending to the innumerable secretarial duties, and the projection and maintenance work done by the boys, all under the direction of Miss Ruby Moore, are invaluable services to Fair Park

Cooperation is a must in any group, and in the Audio Visual Club trust and tops prevail above all else. The club develops promptness, orderliness, reliability and a strong sense of personal responsibility in the individual.

## Los Alumnos Felices

In their meetings which are partially in Spanish, their social functions, and their projects, the happy students of the Spanish Club have a valuable extension course.

At Christmas the club played Santa Claus, or *Los Reyes Nuevos* for a local hospital, by donating four dozen articles of clothing.

After mid-term tests were over and everyone was breathing again, the club held their annual banquet at a Mexican restaurant here in Shreveport. In Mexican surroundings, eating Mexican food, the alumnos trotted out all their Spanish knowledge and really enjoyed being bilingual.

As in past years, the Spanish Club was in charge of Pan-American Week at Fair Park. With their colorful, informative posters in the halls, their bright decorations in the cafeteria, and the charming costumes many members wore on Pan-American Day, they greatly increased our awareness of our neighbors to the south.

Through interesting programs, members of Orbis Romanus, the Fair Park Latin Club, learn many things about the language which they are studying, or have studied in the past, and the people who spoke this language. Their programs have been presented in the form of plays, skits, discussions on word derivation quiz games, and panel discussions. For several of these programs, Miss Cook showed color slides of her European tour.

This is the second year for Orbis Romanus to be a member of the American Classical League. The club is also a member of the Texas Classical League and two of its members, Mike Carter and Margaret Martin, hold state offices of vice-president and state reporter respectively.

The Dramatics Club is made up of students who want to gain poise and self-assurance through self-expression. Major productions are not attempted; members perform instead for each other. Under the direction of sponsor Mrs. Virginia Miller, short plays and readings are usually given at each meeting, and are in preparation at all times. In these productions members find a perfect outlet for their creative talents and develop their stage courage to such a degree that they sometimes become entertainers for other groups. Besides being entertaining the club is also very educational. Through it the young thespians learn what goes into a theatrical production, and gain a greater understanding of this versatile art.

# 4 - H Club

4-H Club work is an educational enterprise supported by the state and federal governments. It is designed to teach through doing and promotes better practices in agriculture and home economics, thereby developing industrious and public-spirited citizens. Membership is voluntary, and each member must undertake some project in agriculture or home economics. This work is done under the guidance of a competent leader. At Fair Park Mr Cecil Herren sponsors the club

Projects are entered in competition from all over the state at the Louisiana State Fair held in Shreveport each year. After livestock is judged, it is sold at public auction bringing considerable sums of money.

4-H members are eligible for scholarships, ribbons, and other awards. One of the outstanding awards is a trip to Chicago. This year Carolyn McCullough from Fair Park won this trip.

Fair Park's Commerce Club, the Typettes is made up of commerce students and sponsored by office practice teacher, Mrs. Pearl Dalton. These girls devote most of their time and effort to becoming the best possible office workers, and they have guest speakers from many departments of this large field of employment. Talks and demonstrations by representatives of the telephone company, the Department of Internal Revenue, the Department of Health, Education and Welfare, the Dictaphone Company, various secretarial or-

ganizations, and even the John Robert Powers School of Modeling have been given for the Typettes.

This hard-working group of future business women also finds time for fun. In the fall they held a morning coffee honoring the faculty, so that they could show off the new office practice equipment. This is now such a well equipped department that Mrs. Dalton refers to it as "a small business school." As in other years, the club completed the school year with their annual barbecue.

## Y - T e e n s

The Y-Teen Clubs of Fair Park have joined forces with the Young Women's Christian Association in building better young women through the development of better character and judgment. "Helping others" could be considered the goal of every girl in working on the many service projects of the different clubs. Patients in various Shreveport hospitals and needy families in this area have been recipients of these services.

The new Y. W. C. A. building in downtown Shreveport furnishes an ideal setting for

Y-Teen social functions. This year some of their activities have been a spaghetti supper, a Harvest Dance, a Christmas formal dance and a Sweetheart Banquet. Swimming, basketball games and other sports have added to the recreational program of the Y-Teens.

The Y-Teens are an international group. At Christmas time this is brought to mind when every Y-Teen girl places a lighted candle in a window as a silent prayer for peace, and knows that Y-Teen girls throughout the world are doing the same.

# Creative Writing Club

The objective of the Creative Writing Club is to promote and develop whatever talents each member may possess. This is done through poetry, plays, short stories, and essays. Each person puts a part of himself into his writing and in return receives the satisfaction of self-expression.

With the guidance and instruction of Mrs. Jennie Jones, basic fundamentals of writing are learned and practiced. Correct meter and types of lines are important in the quality of the poem. Results are evidenced by the fact that each year the club has had winners in the National Writing Competition. These winning poems are published in the annual anthology of high school poetry by the National High School Poetry Association.

Through the countless resources used in creating an individual literature club, members become more aesthetic and learn to realize more fully that beauty is everywhere.

Kay Green, Mrs. Ruth Johns, Emmagene Brown, Lavette Ward, Anita Brown, Jo Ann Powell

## Future Teachers Of America

The Dean R. E. Smith Future Teachers Club develops within Fair Park students an appreciation for and an awareness of the profession of teaching.

Members inform themselves of the requisites for guiding children through their years of learning. They become acquainted with the pleasures, the problems, and the successes they may expect to meet in their experiences. On the shoulders of teachers rests the fate of our nation, and these students, under the leadership of Mrs. Ruth Johns, prepare themselves for devoting their lives to enriching the living of the individual. Their purpose is to encourage young people to cultivate in themselves the qualities of personality and character which are the foundation of successful teaching, and to inform interested students of the opportunities in various fields of education.

Responsibilities to their community and to their fellow man grow important as they study to prepare themselves to assume their chosen role of teacher.

## S a f e t y   C o u n c i l

Fair Park's Safety Council, which was just formed this year, was the first organization of its kind in the Ark-La-Tex. It is composed of representatives and alternates from each home room.

These students, under the direction of Mr. Wayne Hollingsworth, help with the plans for evacuation, fire drills, and tornado alerts. The Council has worked in co-operation with the Caddo Safety Council, in planning better park-

ing arrangements for Fair Park. Along with their work in promoting school safety, this group encourages safety in the home and in the city.

The Safety Council sent representatives to the Caddo-Bossier Youth Safety Conference, which was held at Byrd High School. This summer the Council will send delegates to the Louisiana Youth Safety Council Conference, which will be held on the Louisiana State University campus.

long have been among the outstanding students at Centenary College and have gone on to make their names in the industrial, business and professional life of Shreveport and the Ark-La-Tex

### THE MOREHEAD MEMORIAL CONCOURSE

One of the many quiet beauty spots on the campus of Centenary College is the Morehead Memorial Concourse, where students may pause to reflect on the traditions and persons figuring so prominently in the long, proud history of the college. *Congratulations  
To The 1958 Graduates Of  
Fair Park High*

Many young women from Fair Park High have laid the foundation for a successful life. After Fair Park High you go your respective ways. Some to four year colleges. Some to junior colleges. Others to a life without additional training. There are some, however, who are ambitious to start earning immediately. To these, AYERS' SCHOOL OF BUSINESS has something definite to offer.

After a few months in AYERS' a nice office position with a good salary will be yours. Let us urge you, before deciding on a school, to visit AYERS' SCHOOL OF BUSINESS. A cordial welcome awaits you.

STUDIO

It has been  
a pleasure to have you  
here all the year  
and I am anxious  
to have you  
here again. I do  
not want to wait  
long to give you  
the best of service.

To Simon Mauer;

The best friend I've ever had, and the best friend a person could ask for. As I remember the first time I ever saw you, you were standing in your yard when you lived on Summer Street, (3700 block) and you were drawing back the string of a bow you had just made. At that time something very different about you struck me and now I can't quite remember what that was. At a time after that you and I almost had a fight one day but didn't, then as time elapsed you and I were no longer enemies but became friends. Then as more time passed we became very good friends and now are the best of friends. You know we've never been in a class together at school but we still saw a lot of each other and spent a lot of time together. Remember the camping trips we use to go on in the scouts, the times we went swimming in Cross Lake, the times we use to go "shooting" with 22's. We sure had a lot of good times together didn't we? But those times are gone and are now only memories, and good ones they are too, but now the future lies ahead and you and I must conquer it. We must make our mark and be sure it stays on this old earth. You know I think it was good we met, because as I know you I am always striving for a higher goal, for a better mark, for a better lift, a harder foot, or what ever it is I am always trying to better myself, to advance in some way; and I think that is good, that is what makes man better himself or a whole, that is progress. And I am now glad that I moved to this city and met you; of that I think I can be proud. I hope you are the same. You are my friend Jimie, and that will always be. You are my true friend, and I feel that from deep within me. And for as long as there is life in either of us, I hope that the one will remember the other. Even if we are some day parted I hope that to hold true, for I know that whatever might happen to us, or what ever I might do, and I mean that in the full sense of the words, I will forever and internally remember Simon, the boy with skin a little darker than mine, the boy a little taller than I, that boy with the handsome statue, the one which was always my equal, with his hair the color of mine and brushed back, my equal in body, wisdom, strength, and feats; yes that's Simon. And the being of Simon is stamped deep within the far regions of my mind. Jimie may we both always strive to better ourselves in every possible way from every possible angle. May we always do the best thing and the right thing as it should be done and when it should be done. May the force that holds our friendship together be stronger than that which holds the smallest matter to its kind. You and I, Jimie, always together —
